17th November, 2020

Dear Parents / Carers,

Start of Academic Year 2021

In 2021 Year 8 and Year 12 students are required to attend on Wednesday 27th January. This will enable Year 8 students to familiarise themselves with our environment, be guided by Year 11 Peer Support Students and finish their orientation without being crowded by other students. The Year 12 students will be involved in the Year 12 orientation program and the remainder of the week will be a normal timetable.

Year 9, 10 and 11 students are required to attend on Thursday 28th January. The day's program will consist of a relatively short Home Group session and then they will move to classes. The day is constructed around the fact that Year 9, 10 and 11 students are familiar with Urrbrae and do not need as extensive an orientation as Year 8 students.
